

Clean-Out Detail
NOT TO SCALE

Notes:

1. Owners responsibility to provide and maintain clean-out for City.
2. When City provides 6" lateral, homeowner must install 6" cleanout assembly with metal plug along with a Sigma MB-344 Cleanout box. Sigma MB-344 to be used in all finished grade applications including pavement, concrete and grass/dirt.
3. If no clean out is found, the Owner is responsible for sewer line to main line.

Call Plumbing Inspector at 931-526-9591 Ext 5270 or 5368 For Inspection.
